WHAT NEEDS ATTENTION

Ranked from most to least urgent. The first two are free safety recalls handled by any Ford dealer.

PRIORITY	ITEM	WHAT TO DO
DO NOW	**Front brake hose recall (#23S12)**	Ford has an available fix and the repair is free. Schedule at any Ford/Lincoln dealer or call 866-436-7332. Brake-line safety item — don't put this off.
WATCH	**Rear-view camera recall (#25SA9)**	Recall issued Oct 2025 but the remedy isn't released yet. No action possible right now — check back with a Ford dealer periodically until parts are available.
SOON	**Oil change**	Last changed Feb 2026 at 87,461 mi. The car has run ~3,500 miles since. Due at the next 5,000-mile interval — plan for it in the coming weeks.
VERIFY	**Maryland emissions (VEIP)**	Last passing test on file was Jan 2023. Maryland tests every 2 years, so confirm the current registration and emissions are up to date.
CHECK	**Brakes & tires**	Front pads/rotors and rear pads were done in late 2021 at ~63,700 mi — roughly 27,000 miles ago. Have pad thickness and tire tread checked at the next service.

OPEN SAFETY RECALLS (2)

Recall repairs are performed free of charge by any authorized Ford or Lincoln dealer. More info: 866-436-7332.

RECALL #	DESCRIPTION	NHTSA	ISSUED	STATUS
23S12	Front brake flexible hose replacement	23V162	Mar 13, 2023	**Remedy available — fix now**
25SA9	Rear-view camera inspection	25V695	Oct 14, 2025	**Remedy not yet available**

MAINTENANCE STATUS

CARFAX's estimated timing for routine service, based on the records on file. Treat these as guidelines, not exact due dates.

SERVICE	CARFAX ESTIMATE	NOTES
Oil change	~2 years to next *	Last done Feb 2026. See note in "What Needs Attention" — realistically due within the next few thousand miles.
Tire rotation	~7 months to next	Last rotated Feb 2026. On track.
Brake inspection	~7 months to next	Worth an earlier look given mileage since the 2021 brake job.
Tread life	No recent record	No tire-purchase record on file. Have tread depth measured.
Emissions inspection	Not tracked	Last passing test Jan 2023 — verify current MD status.
Registration	Not tracked	Not recorded in CARFAX; confirm registration is current.

** CARFAX's 2-year oil estimate looks optimistic against this car's real-world pattern of oil changes roughly every 5,000 miles. Go by mileage.*

OWNERSHIP & LOCATION HISTORY

Pieced together from service locations and Maryland MVD title records. The car started life in the Pittsburgh area and later moved to Maryland.

- 2015 – 2018 — Monroeville, PA (Pittsburgh area). Sold and serviced through Ford of Monroeville, with early records back to a pre-delivery inspection in December 2015.
- Oct 2018 — Maryland. A pre-delivery inspection at Lindsay Ford of Wheaton (Silver Spring, MD) suggests the car changed hands and relocated to Maryland around this time.
- Aug 2020 — Ownership change. Maryland MVD records show a new owner reported, a duplicate title issued, and a loan or lien reported — consistent with a purchase around mid-2020.
- 2020 – present — Maryland. Ongoing service at Lindsay Ford of Wheaton and Jiffy Lube (Rockville, MD). This is a Maryland-titled vehicle today.

Note: CARFAX title events indicate at least one, and likely two, changes of ownership over the car's life. Service has been consistent throughout — no gaps that suggest neglect.
